

TRAIL INFORMATION

Trails are unpaved and in some places can be sandy, bumpy, or wet. Trails pass through swamp forest, marshes, sandhills, flatwoods, and pine plantations. Portions of the trails are on dikes that were used for logging trams.

Stay on marked trails to avoid trespassing on adjacent private property, which may have hunters. Hikers, bikers, and equestrians share the trail - use courtesy when interacting with other trail users.

NO ATVs or motorized vehicles	NO littering, dumping, or smoking
NO removal or disturbance of plants, animals, or artifacts	NO hunting or shooting

PRESERVE CLOSSES AT DARK

In case of emergency, you are located near Rochelle near the intersection of County Roads 2082 & 234.

Alachua Conservation Trust: (352) 373-1078

OUR MISSION

Alachua Conservation Trust (ACT) is committed to protecting the natural, historic, scenic, and recreational resources in and around north central Florida. ACT protects land through purchase, donation, and conservation easements.

Alachua Conservation Trust is a non-profit land trust that works with landowners to protect our special places. Since 1988, ACT has directly acquired more than 20,000 acres in north central Florida for public parks and nature preserves and has helped private landowners achieve their conservation goals on thousands of additional acres.
